APPLICATION INSTRUCTIONS FOR STATE OF IDAHO PUBLIC WORKS CONTRACTOR LICENSE

ALLOW A MINIMUM OF TEN (10) WORKING DAYS FOR YOUR COMPLETE APPLICATION TO BE PROCESSED. IF THERE ARE ANY MISSING ITEMS FROM YOUR APPLICATION, YOU WILL BE NOTIFIED. NO REFUNDS WILL BE GIVEN.

ORIGINALS

- ☐ The company name on all application forms and documents must be in the exact name you wish to be licensed under or use for bidding purposes. **You are allowed a maximum of 50 characters including spaces and punctuation.**
- ☐ Complete all pages of the application. **Be sure to sign page 5 and have your signature notarized.**
- ☐ Make checks payable to DBS-PUBLIC WORKS CONTRACTORS or use credit card authorization form at bottom of page.
- ☐ Submit adequate work history. Be descriptive with the type of work you have performed. You may use work history while working for someone else. Use page 8 of application or attach a typed form listing your work history. **Do not** submit copies of invoices in lieu of worksheet.
- ☐ Include three contractor reference letters OR letters of recommendation from people who can verify your work history.
- ☐ Depending on your filing status, fill in your Federal Taxpayer ID Number (TIN), your Employer Identification Number (EIN), or Social Security Number (SSN) on your application.
- ☐ Submit the appropriate financial statement for the class of license for which you are applying. See page 3 for the financial guidelines.
- ☐ Complete, sign and submit the appropriate examination form depending on the class of license you are applying for.
- ☐ Keep a copy of your application.

RENEWALS

- ☐ Complete pages 4 & 5 of application. **Be sure to sign page 5 and have your signature notarized.**
- ☐ Make checks payable to DBS-PUBLIC WORKS CONTRACTORS or use credit card authorization form at bottom of page.
- ☐ Submit the appropriate financial statement for the class of license for which you are applying. See page 3 for the financial guidelines.

ADDITIONALS

- ☐ Submit a letter requesting the addition of the specific type(s) and/or categories.
- ☐ Submit adequate work history. Be descriptive with the type of work you have performed. You may use work history while working for someone else. Use page 8 of application or attach a typed form listing your work history. **Do not** submit copies of invoices in lieu of worksheet.
- ☐ Include three contractor reference letters OR letters of recommendation from people who can verify your work history.

PROJECTS

- ☐ Complete pages 4,5 and 8 of the application. **Be sure to sign page 5 and have your signature notarized.**
- ☐ Submit the appropriate financial statement for the class of license for which you are applying. See page 3 for the financial guidelines.
- ☐ Make checks payable to DBS-PUBLIC WORKS CONTRACTORS or use credit card authorization form at bottom of page.
- ☐ Submit adequate work history that meets or exceeds the requirements for class being requested. See page 3 for project amounts.

Please complete this form to charge a credit card. Company name is mandatory to ensure proper application of payment.

**ORIGINAL APPLICATIONS AND THOSE WISHING TO ADD OR CHANGE TYPES AND/OR CATEGORIES
PLEASE COMPLETE BELOW**

Applicant shall mark the appropriate box with an 'X' to indicate the type or types of construction for which there is experience and necessity for licensure. For those applicants requesting Type 4, please mark the appropriate categories for which there is experience and necessity for licensure.

Please note:

- If you are renewing your license and you are not changing types and/or categories, this section is not applicable.
- If all three boxes, Types 1, 2 and 3, are checked, there is no need for Type 4.
- If you only do certain phases of Types 1, 2 and 3, please check only Type 4 with the individual categories marked.
- Types 1, 2 and 3 are for construction of their respective areas **IN THEIR ENTIRETY** (general contractor).
- For **each type and category** requested, you must submit adequate work history.
- Include three contractor references which need to be either on our form or on the company's letterhead that is submitting the reference.
- **When adding or changing types and/or categories, a letter addressed to the bureau requesting the additions and changes is required. Submit the letter along with the work history and references accordingly. - Refer to pg. 2**

TYPE 1 HEAVY CONSTRUCTION ☐

Defined as constructing substantially, **in its entirety**, fixed works and structures (not including "building construction"), without limitation, for any or all of the following divisions of subjects: irrigation, drainage, sanitation, sewage, waterpower, water supply, reservoirs, flood control, reclamation, inland waterways, railroad, grade separations, track elevation, elevated highways, hydroelectric development, aqueducts, transmission lines, duct lines, pipelines, locks, dams, dykes, levees, revetments, channels, channel cutoffs, intakes, drainage, excavation and disposal of earth and rocks, foundations, piers, abutments, retaining walls, viaducts, shafts, tunnels, airports, air bases and airways, and other facilities incidental to any of the same.

TYPE 2 HIGHWAY CONSTRUCTION ☐

Defined as **all work** included in highway construction contracts, including, without limitation, highways, roads, streets, bridges, tunnels, sewer and street grading, street paving, curb setting, surfacing and other facilities incidental to any of the same.

TYPE 3 BUILDING CONSTRUCTION ☐

Defined as **all work** in connection with any structure now built, or hereafter built, for the support, shelter and enclosure of persons, chattels, personal and moveable property of any kind, requiring in its construction the use of more than two unrelated building trades or crafts.

TYPE 4 SPECIALTY CONSTRUCTION ☐

Defined as **certain portions** of the job in which you are trained. Mark all the categories for which you would like to be licensed. Categories are listed on Page 7. Please note trade licenses in the space provided if you have chosen those categories for licensure.

See Next Page for Category Listing

FOLLOW INSTRUCTIONS CAREFULLY. IF COMPLETED IMPROPERLY, THERE WILL BE A DELAY IN YOUR LICENSE APPROVAL.

Work History: List appropriate work history reflecting adequate experience in the type, scope & dollar amount of work for which you are applying.

List the most recent jobs; three of which will qualify the class of license.

Refer to the section on page 3 regarding the minimum requirements for project dollars.

The work history will be evaluated to determine the class of license for which you qualify. List only work you have completed with your own resources. If work history is from a former employer, indicate that company.

If work history is insufficient, you will be asked to submit more or a class of license will be issued for which you qualify.

Attach additional pages as necessary.

This section only needs to be completed for Originals, Upgrades or Adding/Changing types or categories.

			Work Performed	
Year	Dollar Amount	Specific Work Description	Location	For Whom
<i>Example</i>	<i>\$300,000</i>	<i>excavated, graded, constructed retaining walls, built entire road</i>	<i>Meridian, ID</i>	<i>Joe Martin - CM</i>

Fixed asset list: Only list equipment used in your business. You may attach additional pages as necessary or submit a depreciation schedule in lieu of completion of this section.

This section only needs to be completed for Originals, Upgrades or Adding/Changing types or categories.

Description	Year Purchased	Owner	Original Cost	Depreciation	Book Value	Market Value
